

**REMARKS**

Consideration and entry of this §1.312 Amendment is respectfully requested. This Amendment is submitted to clarify a term appearing in claim 34, which may have been inadvertently altered by the Examiner's Amendment accompanying the Notice of Allowance. On page 2 of that Examiner's Amendment, the term cathode appears as a plural noun (claim 34, line 9). However, the original claim contained this term as a single noun. The §1.312 amendment is being submitted merely to clarify any possible inadvertent change to this claim by the Examiner's Amendment. The correct single form of this noun appears in this amendment. No new matter is presented by Applicants' proposed §1.312 Amendment. Entry thereof, accordingly, is hereby respectfully requested.

Respectfully submitted,

BURNS, DOANE, SWECKER &amp; MATHIS, L.L.P.
